 OBJECTIVES	<ul style="list-style-type: none"> • Values of the participants • Get to know personal stories behind wishes
 INSTRUCTIONS STEP BY STEP	<ol style="list-style-type: none"> 1. Tell the participants that this is going to be an auction of superpowers. The onewho offers the most will gain the certain superpower for a lifetime! Tell them that everybody have 200 GLOBE DOLLAR (GD) to begin with. The ruleis that they have to bid at least for two items from the list, even if offering only 1GD for one. That means, that the highest bid is 199 GD. 2. Use a projector and show the list to the participants. Give them enough time to think. To get into the mood of gaining superpower you can prepare the group by asking them to stand up and form a star shape with their body and count together backwards from 30. Tell them that this body posture makes the circulation speed up in their body and puts them into a powerful state of mind. 3. When everybody is ready start the auction by calling the first item out load and follow the choreography of a real auction: "You offered 10 GD. Who gives more? 15? 15 first, 15 second,... Is there anybody else who would like to gain this superpower?"

	<p>Follow the same structure, and write down, who won each item. If two people are offering the same amount, you can ask them to offer something out of the box (like sing a song, or make a dance move, or can say more fruits within 1min...) it depends on the group.</p> <p>The list of ITEMS</p> <ol style="list-style-type: none"> 1.
